

Sri KADIDAL MANJAPPA—About 13 families.

Sri B. L. NARAYANASWAMY—By way of a supplementary to (a). Out of this amount, what is the relief given to each family?

Sri KADIDAL MANJAPPA—I have not got the details. That is given according to the schedule prescribed in the Government order.

Constitution of Corporations in the State.

*Q.—219. **Sri V. P. DEENADAYALU NAIDU** (Cubbonpet).—

Will the Government be pleased to state:—

(a) the Corporations that they propose to set up and the factors that compelled them to constitute such Corporations;

(b) whether it is not advantageous to the State that the above undertakings be continued for five more years under the private or State management?

A.—**Sri B. D. JATTI** (Chief Minister).—

(a) Government have decided to set up Corporations for:

(1) The Kolar Gold Mining Undertakings,

(2) The Mysore Iron and Steel Works, Bhadravati.

This decision is based on the policy of the Government to entrust public undertakings to autonomous Corporations

(b) Does not arise.

Constitution of Corporation for Bhadravati Iron and Steel Works.

*Q.—457. **Sri G. SIVAPPA** (Chitradurga).—

Will the Government be pleased to state:—

whether they propose to constitute a corporation for the Bhadravati Iron and Steel Works?

A.—**Sri B. D. JATTI** (Chief Minister).—
Yes.

Sri V. P. DEENADAYALU NAIDU.—Does not the formation of corporations indicate that the State is unable to run these undertakings?

Sri B. D. JATTI.—It does not amount to that. If the schemes are to be expanded, we need the assistance of the Government of India. They always insist that unless we form corporations it will not be possible for them to give financial assistance for the expansion schemes.

Sri V. P. DEENADAYALU NAIDU.—What are the terms and conditions with regard to share capital, employment potential and control?

Sri B. D. JATTI.—All the shares will be purchased by the Government of Mysore.

Sri V. P. DEENADAYALU NAIDU.—At the time of nationalisation have not the Government thought of this future aspect?

Sri B. D. JATTI.—This is not the first time that this question has been raised in this House. It was discussed here, a Bill was passed and according to that Act Rs. 144 lakhs have been paid and it was nationalised.

Sri V. P. DEENADAYALU NAIDU.—What is the reason for the diminution of returns and is there any apprehension in this behalf?

Sri B. D. JATTI.—It is not due to any apprehension. The grade of ore is now coming down and if we want to earn more it is not possible unless the crushing capacity is increased and the mining charges are decreased.

Sri B. N. BORANNA GOWDA.—When are you going to form these industries into corporations?

Sri B. D. JATTI.—We are working it out.

Sri G. DUGGAPPA.—May I know whether this Government will get financial assistance from the Government of India for the formation of Corporations?

Sri B. D. JATTI.—I have already answered it.

Sri G. DUGGAPPA.—Apart from the Government of India's assistance, what might be the financial implications if corporations are formed?

Sri B. D. JATTI.—If we want to expand certain industries, it is necessary that we must have more money. As such, the State cannot invest more money. It is necessary for us to get assistance as per the conditions imposed by the Government of India. Regarding financial implications, if we expand the Mysore Iron and Steel Works and also the Road Transport system, we will be earning more. At the same time we will have to pay the income tax. If we take the overall picture, the sales tax which we get will be more and the income tax will also be more and the prosperity of the area and the employment potential will all be more.

Sri C. J. MUCKANNAPPA.—May I know the compelling reasons to constitute Corporations?

Sri B. D. JATTI.—As I have already explained that if we want to expand our industries, it is necessary to have more money. That is the reason why we have come to the conclusion that we must convert these into Corporations.

Sri A. R. KARISIDDAPPA.—May I know whether they are going to constitute a Corporation for Road Transport also?

Sri B. D. JATTI.—It has already been replied. The Government have decided to form a Corporation for Road Transport also. We are awaiting other details to be worked out.

Sri M. MALLIKARJUNASWAMY.—May I know the price that our gold is fetching in the international market?

Sri B. D. JATTI.—It is outside the scope of the question.

Sri M. MALLIKARJUNASWAMY.—In view of the fact that our gold is selling at a very cheap rate, especially in the field of international market, will the Government consider it feasible to see that this industry is entrusted to a corporation?

Sri B. D. JATTI.—It is not necessary for me to answer that question. Since the Hon'ble Member has put a supplementary I may say that it is not for the sake of raising price in the international market that we want to have a corporation.

Sri J. B. MALLARADHYA.—Why should there be any objection to getting

the required capital assistance from the Central Government for running these industrial concerns? If finance is the only consideration, why not the Government go to the open market and get a loan?

Sri B. D. JATTI.—It is difficult to go to the open market. For that also we have to get permission either from the Government of India or the Reserve Bank.

ಶ್ರೀ ಬಿ. ಆರ್. ಪರಮೇಶ್ವರಯ್ಯ—ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು 12 ಕೋಟಿ ರೂಪಾಯಿ ಕೊಡುತ್ತಾ ಇದ್ದಾರೆಂದು ಹೇಳುತ್ತಾರೆ. ಈಗಾಗಲೇ ನಮ್ಮ ಐರನ್ ವರ್ಕ್ಸ್‌ನಿಂದ ಬರುತ್ತಾ ಇರುವ ಆದಾಯವನ್ನು ಪ್ಯಾನ್‌ಡ್ ಪ್ರೋಗ್ರಾಂ ಮುಖಾಂತರ ಇನ್ ವೆಸ್ಟ್ ಮಾಡಿದರೆ ಎಕ್ಸ್‌ಪ್ಯಾನ್‌ಷನ್ ಆಗುತ್ತಾ ಇರಲಿಲ್ಲವೇ?

Sri B. D. JATTI.—We are trying our level best to improve the industry without taking assistance from the Government of India. Since we want to expand it, and within 15 or 20 lakhs it is not possible to expand it, we want assistance from the Government of India.

Sri GAJANANA PANDIT.—To what extent the State Government expect help from the Government of India?

Sri B. D. JATTI.—Regarding the Road Transport we are getting 1/3 of the total investment from the Government of India and for other concerns it is a matter between the Government of India and the State. In regard to the Mysore Iron and Steel Works, they are agreeable to give assistance upto 40 percent and our share would be 60 percent.

Sri C. K. RAJIAH SETTY.—May I know what return we would get from these industrial concerns after they are formed into corporations?

Sri B. D. JATTI.—It is a matter of speculation. If we keep the Iron and Steel Works as it is, it is a public concern and it cannot compete with Rourekela or Durgapur and in the market we will be nowhere. If we expand it we will be earning more. From that point of view we will be getting profit. At the same time we will have to give something in the form of income tax. After deducting income tax we will also be getting something in the form of sales tax, employment, etc.

Sri C. K. RAJIAH SETTY.—What is the percentage of income tax ?

Sri B. D. JATTI.—There is a proposal before the Government of India to withdraw the concession in respect of income tax. They want to introduce a Bill.

Uniform Laws for the State.

(a) the number of Legislative Acts that have been passed from April, 1957 to 1960 ;

A.—Sri T. SUBRAMANYA (Minister for Law, Labour and Local Self-Government).—

(a) 90.

ಶ್ರೀ ಎಂ. ಎಂ. ಪಾಟೀಲ್.—ಇಷ್ಟು ವರ್ಷಗಳಿಂದ ಎನ್ನಾಕ್ಸ್ ಮಾಡಲಿಕ್ಕೆ ಏನು ತೊಂದರೆ ಇತ್ತು ?

ಶ್ರೀ ಬಿ. ಸುಬ್ರಹ್ಮಣ್ಯ.—ಈಗಾಗಲೇ ಎರಡು ವರ್ಷಗಳಿಂದ 90 ಯೂನಿಫಾರಂ-ಲಾಸ್ ಮಾಡಿದ್ದೇವೆ. ಇನ್ನೂ ಆಗಬೇಕಾದ್ದು 78 ; ಅದರಲ್ಲಿ 32 ಸಭೆಯ ಮುಂದೆ ಇಟ್ಟಿದ್ದೇವೆ. 28 ಡ್ರಾಫ್ಟ್ ಆಗಿದೆ, 19 ಡ್ರಾಫ್ಟ್ ಆಗಬೇಕು. ಅವು ಪಾಸ್ ಆಗುತ್ತ ಆಗುತ್ತ, ಒಂದೆರಡು ವರ್ಷಗಳಲ್ಲಿ ಮುಗಿಸಬಹುದು.

ಶ್ರೀ ಎಂ. ಎಂ. ಪಾಟೀಲ್.—28 ಮಸೂದೆಗಳು ಡ್ರಾಫ್ಟ್ ಆಗಿ ಸಿದ್ಧವಾಗಿವೆ ಎಂದು ತಿಳಿಸಿದ್ದೀರಿ, ಏಕೆ ಒಂದು ವಿಶೇಷ ಅಧಿವೇಶನವನ್ನು ಕರೆದು ಇವುಗಳನ್ನು ಪರಿಶೀಲಿಸಬೇಕು ?

Sri T. SUBRAMANYA.—It is a suggestion for action.

Sri A. S. PATIL.—When will the Government bring about uniformity in the jurisdiction of civil judges and district judges as suggested by the Select Committee on Court Fees, Sir ?

Sri T. SUBRAMANYA.—As early as possible.
